

# Design Workshop

**By Cindy Needham**

This is a fun and creative workshop where I provide the needed help and instruction on designing your un-quilted tops. I have a hands-on lecture in the morning where I teach you how to pick the perfect designs for your quilt tops, working with the “creatively pieced” top, designing whole cloth quilts, how to use your stencils and making those borders fit. I will also discuss good choices in threads and battings to help make your quilts come alive. Lots of quilts are brought to demo techniques and for fondling afterwards! The afternoon is devoted to designing and marking your tops.

The day is yours, it is up to you what you want to work on. If you have no unquilted tops to mark, please bring 1-2 yards of solid or tone-on-tone yardage and you will be able to design a whole cloth quilt!

## **THINGS TO BRING:**

Quilt Tops – several ☺

Fabric Yardage for whole cloth quilts (*Optional*)

Scissors

Rulers

Marking Pens, **bring several!** (Recommended: Mark-B-Gone, Stabilo white pencil or Clover white pen)

Brown Bag Lunch.

Most students find they are so busy marking their quilts they never get the chance to actually sew.
