

Teaching

I have been teaching locally since 1997 and nationally since 2006. I am one of the national educators for Superior Threads. My classes include a very popular Beginning Quilting workshop, Design workshop, Open Thread Bar and Linen Whole cloth Workshop. Major teaching engagements include Asilomar, Road to California, Machine Quilting Expo, Houston International Quilt Festival and Sisters Quilt Show.

Speaking

I offer two programs to guilds nationwide ~

THREAD FACTS & FICTION:

As an educator for Superior Threads I provide a 45-60 minute guild program that teaches members how to use difficult threads in their machines, addressing tension issues, thread delivery, needles and so much more. A detailed handout is provided for each member. A very popular, fun, hands-on program!

\$400 (price of lecture includes handouts)

FOR THE LOVE OF LINENS:

My trunk show, For the Love of Linens, inspires and teaches quilters how to take vintage tablecloths, dresser scarves, coasters, lace, etc. and turn them into beautiful, one-of-a-kind whole cloth quilts. I share the stories of each quilt and also share tips and techniques. A one-page handout is provided for each guild member. Lots of quilts are brought for fondling! **\$375**
